3 Ways to Give

1. Automated Checking Account

This brochure contains information about automated giving and the form to get started. This option is perfect for those who want the convenience and routine of setting up a system that will make recurring gifts automatically on the 15th and/or last day of each month.

2. Worship Services

You can drop your gifts in the bags as they are passed at any of our worship services.

3. Online by Debit Card

You can use this option at your convenience to make one-time or recurring gifts. The system is simple to register for and completely secure. Click on "Online Giving" at www.suncrest.org.

*Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.
2 Corinthians 9:7*

Consistent & Convenient

In today's world, there are various tools available for handling your finances, including your generosity.

Automated processes have become the norm for transactions we make on a consistent basis and for many, that consistency is what they want to ensure in their generosity also.

Also, people are finding the extra value of convenience. If automated giving could be helpful for you, just fill out the attached form and either drop it in the offering bag on Sunday or send it in to the church office.

Experiences

"Automated giving has lessened the stressful components of giving and increased my financial discipline. Before I switched to automated giving, the process of giving was cumbersome in a way that distracted from the spiritual meaning of the offering."
-Michael

"We really want to give our full tithe to God every week, but sometimes we just forget to write the check on Sunday. Sometimes several weeks in a row. When we would try to make up for missed weeks it was psychologically painful to write that big check. It's easy to cheat that way, even if it's not on purpose. We're glad we signed up. Definitely takes some of the stress out of Sunday morning."

-Matt

FAQ's

Here are some of the Frequently Asked Questions we get about Checking Account Automated Giving.

Does it cost the church more for me to give this way?

No, when compared to our fees for processing traditional checks, this is actually less costly for Suncrest. It will benefit the church as well as you.

Can I easily change my amount or stop giving this way after I've signed up?

Yes, simply contact our Finance Office and we'll send you a form to fill out to end or adjust your amount at any time.

Can I give by debit or credit card?

This brochure is for automated giving from your checking account. You can give by debit card through our website. Just go to www.suncrest.org and click on "Online Giving." We do not accept credit cards due to higher processing fees and our desire to help people avoid debt.

Can I give just once instead of setting up recurring gifts by automated giving?

Automated giving from your checking account is only for recurring gifts. You can make one-time gifts through our online giving at www.suncrest.org.

If you have a question that isn't here, just contact Robin McHugh at the church (219-365-9000) and we will answer yours personally.
